

## Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

### Bronze 60 PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [bsca.com/policies/MJ002187\\_EOC.pdf](http://bsca.com/policies/MJ002187_EOC.pdf) or call 1-855-836-9705. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or call 1-866-444-3272 to request a copy.

**Coverage Period: Beginning On or After 1/1/2024**

Coverage for: Individual + Family | Plan Type: PPO

Important Questions	Answers	Why This Matters:
<u>What is the overall deductible?</u>	<b>\$6,300</b> per individual / <b>\$12,600</b> per family for <u>participating providers</u> ; <b>\$12,600</b> per individual / <b>\$25,200</b> per family for <u>non-participating providers</u> .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
<u>Are there services covered before you meet your deductible?</u>	Yes. <u>Preventive care</u> and services listed in your complete terms of coverage.	This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your deductible. See a list of covered preventive services at <a href="http://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .
<u>Are there other deductibles for specific services?</u>	Yes. Prescription drugs -- <b>\$500</b> per individual / <b>\$1,000</b> per family. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
<u>What is the out-of-pocket limit for this plan?</u>	<b>\$9,100</b> per individual / <b>\$18,200</b> per family for <u>participating providers</u> ; <b>\$20,000</b> per individual / <b>\$40,000</b> per family for <u>non-participating providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<u>What is not included in the out-of-pocket limit?</u>	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a network provider?</u>	Yes. See <a href="http://blueshieldca.com/fad">blueshieldca.com/fad</a> or call 1-855-836-9705 for a list of <u>network providers</u> .	This plan uses a <u>provider network</u> . You will pay less if you use a provider in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a referral to see a specialist?</u>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
