Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,300 individual/\$2,600 Family for In-Network Providers Does not apply to Prescription Drugs, or preventive care visits or services	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount beforethis <u>plan</u> begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount ofdeductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care, prenatal care and telemedicine are covered before you meet your deductible	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But <u>a copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet you <u>r deductible</u> . See a list ofcovered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Individual \$8,500 / Family \$17,000	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
What is not included in the <u>out-of-pocket limit?</u>	Premium, Balance Billing charges and the cost of health care services this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.healthfirst.org or call 1-888-250-2220 for a listof network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and whatyour <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services
